HISTORY OF VASAV GROUP

- 1988:** With **Vasav Precision Engineering Pvt. Ltd.**, We started with one traub machine and quickly became a reputed metal component manufacturers.
- 1991:** We established our first plant in Sinnar with **Balaji Fasteners (I) Pvt. Ltd.** and we specialize in CNC & VMC Machining for precision components.
- 1999:** We ventured into the surface coating industry with CED Coating, Ni-Cr Plating as additional services along with forging, welding, fabrication and machining. We also started are own tool room for mold manufacturing and critical maintenance.
- 2008:** With **Omicron Machine Tools Pvt. Ltd.**, We ventured into the Plastics Molding Industry and we are major suppliers of automobile, luggage and pump industry.
- 2020:** Finally, by making a mark in the industry with our services, we ventured into the Polymer Compounding business with **MIRAI POLYMERS** and have quickly become a trust-worthy brand in the industry.
- 2021:** Within a year of establishment, we crossed a sale of **100 MT** making us the fastest growing TPE manufacturers in the market.
